Description:

They came from one street in Silvis, Illinois, but death found them in many placesin a distant jungle, a frozen forest, and trapped in the flaming wreckage of a bomber blown from the sky. One died going over a fence during the greatest paratrooper assault in history. Another fell in

the biggest battle of World War II. Yet another, riddled with bullets in an audacious act of heroism during a decisive onslaught a world, and a war, away. All came from a single street in a railroad town called Silvis, Illinois, a tiny stretch of dirt barely a block-and-a-half long, with an unparalleled history. The twenty-two Mexican-American families who lived on that one street sent fifty-seven of their children to fight in World War II and Korea—more than any other place that size anywhere in the country. Eight of those children died. It's a distinction recognized by the Department of Defense, and it earned that rutted, unpaved strip a distinguished name. Today it's known as Hero Street. This is the story of those brave men and their families, how they fought both in battle and to be accepted in an American society that remained biased against them even after they returned home as heroes. Based on interviews with relatives, friends, and soldiers who served alongside the men, as well as personal letters and photographs, *The Ghosts of Hero Street* is the compelling and inspiring account of a street of soldiers—and men—who would not be denied their dignity or their honor.

Many times we see a street sign and wonder why that particular name was chosen. Who was that person? What did she do? What was he like? Read this book and learn why a short, simple stretch of asphalt came to be known as Hero Street. The author did a wonderful job interviewing friends and families of these eight men, telling the story of each from childhood to their time spent serving their country. They become more than names on a page. They become your neighbors. When they are lost to the neighborhood, you feel the loss too. They were men, not statistics. They left mothers, sweethearts, wives, babies, and friends. They will not be forgotten.
